Communication Tools

Institution News

- Create institution's updates.
- Updates will be viewable to all users.
- Attach any document or image with news to be downloaded by other users.

Leave Comments

- Viewers can leave their comments for every news.

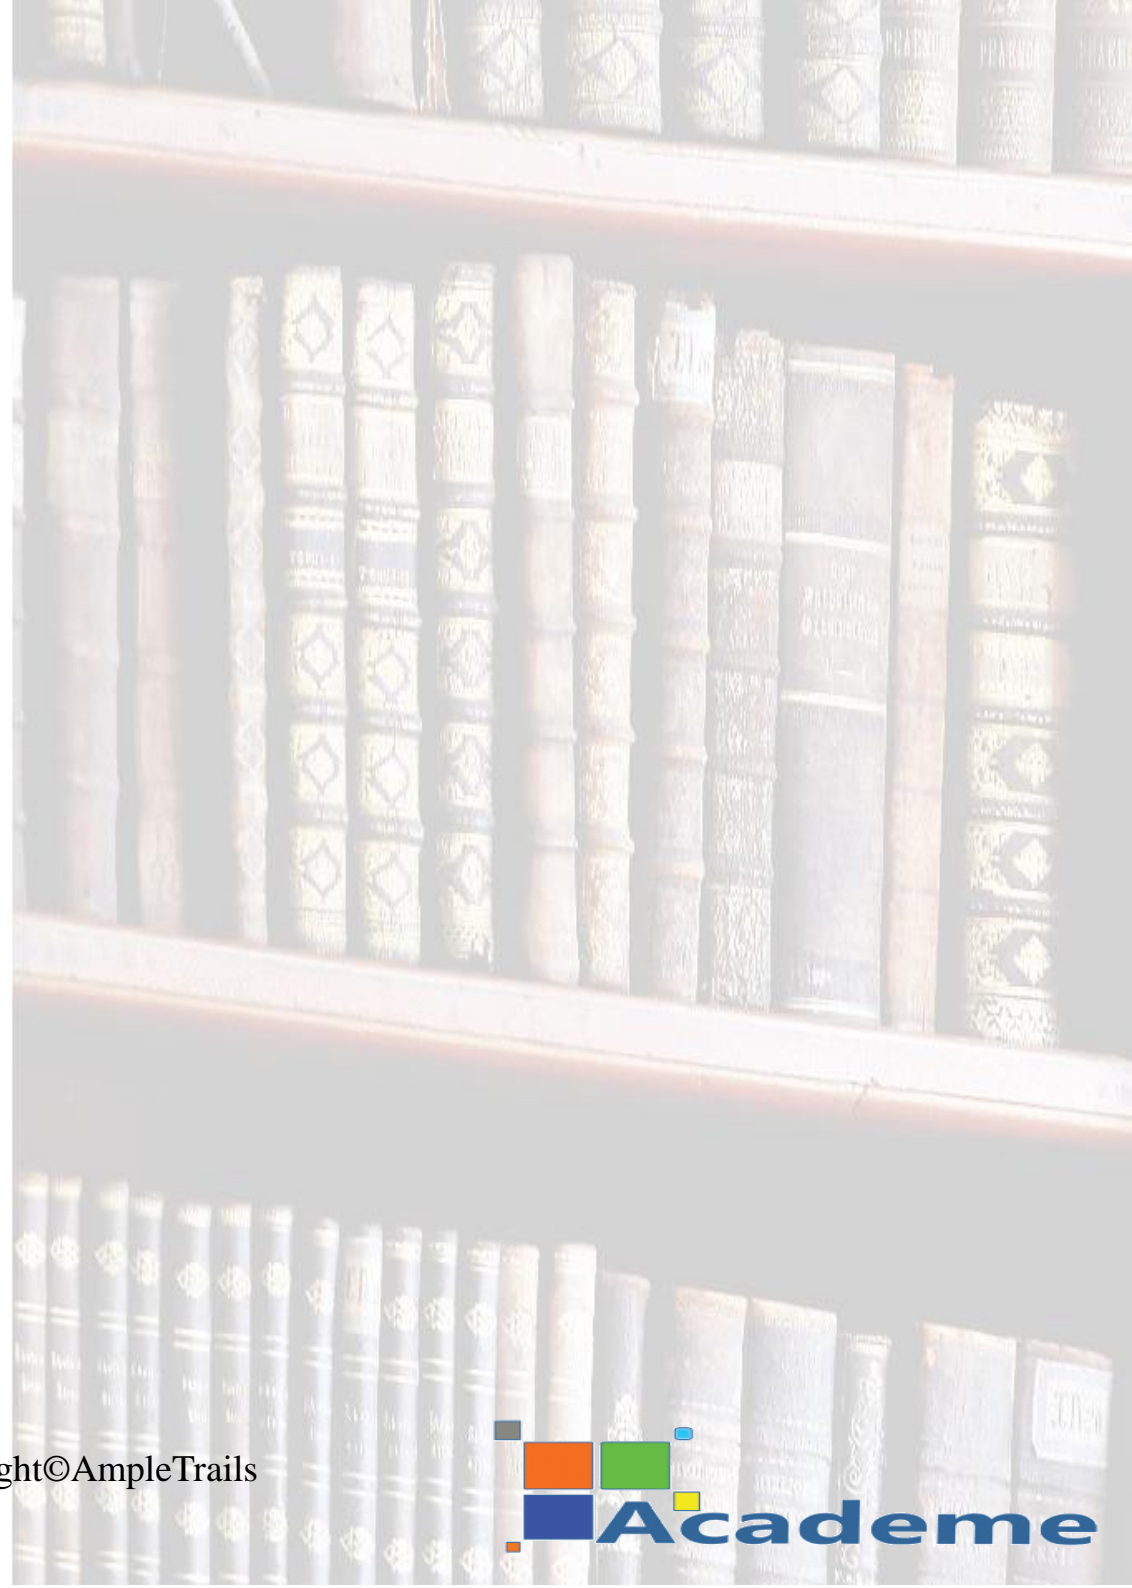

Messaging

- Send messages to students and parents to communicate with them.
- Select department and batches to send messages quickly.
- Send the messages to other employees.

Uses of IMS

- All the general information of a student/faculty can be displayed on a single click.
- Makes easy to maintain the student's course info and their performance details.
- Maintain the attendance entry, leave entry and all the holidays of institution.
- Event management is easy.
- Easy registration process for students.
- Maintain staff record easily.
- Management of inventories is easy.

Library Management System

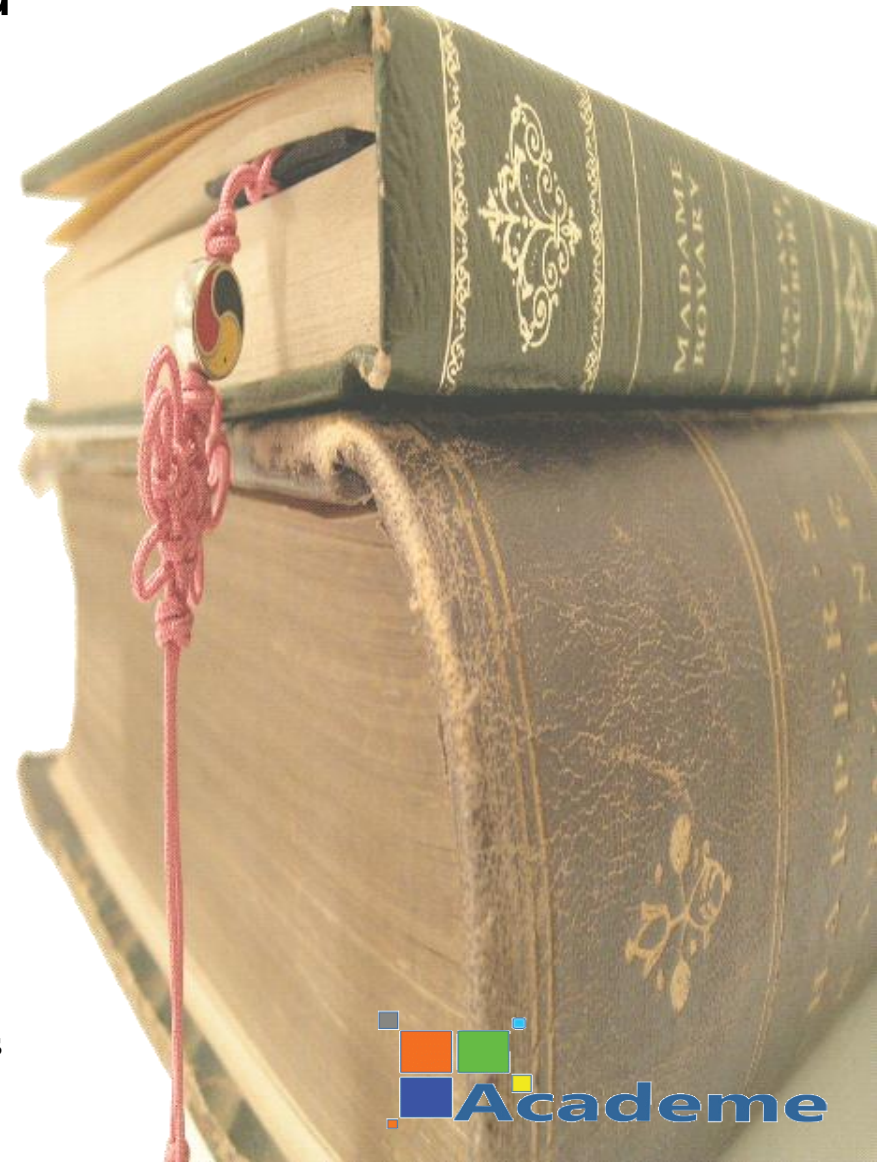

Copyright©AmpleTrails

Features of Library Mgt System

- Management of Books Record
- Automatic Fine Calculator
- Check-out Books
- Check-In Books
- Management of Periodicals
- Reports

What Library Mgt System Does?

- Automatic fine calculator reduce the chances of mistakes in fine calculation.
- Book search via book name, author name, description or notes makes it easy to find out its details.
- All subscription and transaction information are available at any time on a single click.
- To maintain the statistical reports is no more hectic work now.
- Librarian finds it easy to get the status of a book/ audio/ video CD's/ Journals, etc.

Supplementary Features of IMS

- **Institute Dedicated Mail Server**
- **Automated Backup and Restore**
- **Feedback**

Technology Academe Works on

- Technology we use makes it easy to run Academe on any operating system i.e. Linx, Mac, Window, etc.
- Provides more space to store more data
- Cloud Computing makes it highly automated, so no more worry to keep the software up to date.
- No need to install any software to use Academe as it is based on cloud computing.

Thank You
