INDIGINIOUS
BIOM ETRICS INNOVATION

WIFI & GPRS
Based Android Terminal

Time Attendance

Aadhaar Authentication

Financial Inclusion/eKYC

Access Control

Visitor Management

Canteen Management

Worker Management

The MFS TAB Terminal is all-in-one, affordable, WiFi enabled terminal. It can be used for various applications such as Time Attendance, Access Control, Workflow Management, Canteen Management, Visitor Management, Worker Management etc. This innovative Biometric clock will ramatically improve your ability to monitor your workforce movements during their working patterns and with features that gives you better time and management reporting.

The MFS TAB is suitable for both basic to moderately complex time and attendance requirements. The 7" Touch screen offers a wide range of possibilities, starting from the classical Time recording App to a complex Factory Data Collection App or a high-security solution with ccess queries supported by a comparison of live images with stored images or audio-visual communication to a Service Command Centre, e.g. for Data centres. Everything is possible.
